Affiliates Program

Hello welcome to the launch of  
Manaaki. Manaaki is an organization de-  
signed around the idea of working  
together as a collective and based on  
the principles of 'each one teach one'.

Community development empowers  
community members and creates stron-  
ger and more connected communities.  
Community development is a holistic  
approach grounded in principles of em-  
powerment, human rights, social justice,  
self-determination and collective action.  
'Working together as a collective'.

Which brings us all together on this next

An aerial night-time photograph of New Zealand, showing the North and South Islands. The land is dark, with city lights visible. A bright cyan glow emanates from the coastlines and spreads across the surrounding ocean. The sky is a deep blue. The word 'MANĀĀKI' is written in large, white, sans-serif capital letters across the top of the image, with a horizontal bar above the 'Ā' character.
