E tū ki te kei o te waka, kia pakia koe e ngā ngaru o te wā
Stand at the stern of the canoe and feel the spray of the future biting at your face.

First of all I need to share my gratitude with you. It's been an honour and a privilege to have spent the time standing together as we share a mutual drive for passion. I just need to say thank you to all the teams as we step into the next journeys that we have ahead of us x. This is your home, and I look forward to the day I get to return the favour in anyway or form.

Aroha nui, peace out.
